

Serving Solano County for 42 years

Dear potential sponsor,

SafeQuest is a 501(c)(3) organization dedicated to providing prevention education, advocacy, and intervention services to those affected by domestic violence, sex trafficking, and/or sexual assault. With an emphasis on client-centered and trauma-informed care, SafeQuest works with diverse partners to *end violence in our homes, schools, workplaces, and communities* by promoting individual, family and community transformation.

On Wednesday, April 17, 2019, from 5:30-7:30pm at Zio Fraedo's of Vallejo, SafeQuest will be hosting *Solano County Local Heroes in Sexual Assault Intervention*. This event is a Friendraiser aiming to promote awareness during Sexual Assault Awareness Month. Last year, our agency honored 12 heroes throughout Solano County making a difference in Domestic Violence Intervention and had over 200 attendees. The honorees were acknowledged in areas of youth engagement, faith-based leadership, survivor advocacy, military service, legislative initiative, service club involvement, legal prosecution, systems coordination, law enforcement, social activism, public health, and citizen volunteerism.

We encourage you to play a role in our mission to end violence and spread awareness by supporting our event. By becoming a sponsor you will help us make this event a success while contributing to essential services or programs our agency provides to the community.

So much of what we are able to accomplish is due to the support of our community. We hope you will support us by becoming a sponsor. Please see our sponsorship levels for more details.

Sincerely,

SafeQuest Solano staff
